

Samaritans Purse

Each November, our church collects shoeboxes full of Christmas presents to be delivered throughout the world by Franklin Graham and the Samaritans Purse Ministry. If you would like to contribute to this wonderful mission project at our church, please contact the church office.

World Changers

World Changers is a yearly Student Ministry missions camp. Teenagers from across the country come to the Roanoke Valley to help with small construction needs in lower income areas. Our church supports this ministry by adopting a camp group. We fix and serve a hot lunch for them each weekday, offer prayer support and other volunteer support.

Local Missions Centers

Our church collects food monthly for our local Mission centers: The Baptist Friendship House and the Baptist Community Center. In addition to food, each August we collect and deliver school supplies for the under-privileged children. We also provide volunteer help on an as-needed basis.
